Netto-Youth-Regentalcup

Saturday 22th June / Sunday 23th June 2019

How to play:

The **Youth-Tournament on Saturday and Sunday** is divided in **five age-categories**, both for the girls and the boys.

- ▶ if there are not enough teams, two age-categories will be pooled together
- ▶ if there are too many teams, age-categories will be divided in two or three leagues for different abilities/ that's the case in almost every girl's category

Youth-Cup on Saturday / Sunday

Competition class I	age group 99 and younger
Competition class II	age group 2002 and younger (6 versus 6)
Competition class III	age group 2004 and younger (6 versus 6)
Competition class IV	age group 2006 and younger (4 versus 4; field size: 7m x 7m)
Competition class V	age group 2007 and younger (3 versus 3; field size: 6m x 6m)

- ▶ either 2 sets or best of three
- ▶ if there are at least 16 teams we'll promise at least six matches for each team
- ▶ every team needs to act as a referee just as the playing schedule says
- ▶ you play in the stadium in Regenstauf. There will be more than 60 fields.

Like in the last years, there are teams in every category from 8 nations expected. But: Every year we try to get new interesting teams from every European country. Every club from a new country will get a special surprise.

And there is already the first big competition!!!!

Recommend our tournament!

Promote for us at other teams, in the internet, on facebook...- so this special youth tournament will still exist.

We award
the **three** clubs,
who promote the most new clubs
for this tournament,
with an acceptable prize money.

In addition, we offer for every new promoted club a voucher for meals in our pavilion (worth: 25€)
